

The PNT Tv Network

All Queer, All Women, Trans-Inclusive Entertainment Website

ABOUT PNT Tv

The PNT Tv Network (PNT Tv) is a queer female online network of blogs, started with one idea. Simply to provide a space for queer women to showcase their projects for free and since our debut in 2011, we have since continued to extend support to all filmmakers, musicians & other artists. We try to discover, promote, showcase and share female driven content of genres that reflects the diversity of our community, despite ethnicity, nationality or sexual identification.

On our pages we provide free space for all artists, with an emphasis towards independent filmmakers. Whether they are LGBTQIA or straight allies, we approach all with equal enthusiasm.

Since our battle cry has always been, visibility. It is a source of pride that we have built the reputation as a press/media site that provides our visitors, subscribers and followers with ample options to racially and culturally diverse media by and for them.

We have an extensive collection of international and racially diverse web series and short films (LezReel) and Features (Popcorn 'n Tits). We also have a growing following on YouTube for my Interview Session Vlogs (Playlist) and Podcasts (Cin4Lez).

As a fan you keep abreast of our recent activity and future projects through our Newsletters. We are also listed as Sponsors (Media) on Club Skirts Dinah Shore website and have attended both 2014 & 2015 Events in Palm Springs, California.

ABOUT TAMARA

Content Manager / Editor . Blogger . Videographer . Web Designer

Firstly call me Tee, and thank you for considering a partnership with The PNT Tv Network. I am a Web/Graphics Designer by day and a Content Manager by night. I worked in the Service Industry for 20+ years before changing my hobbies to my profession.

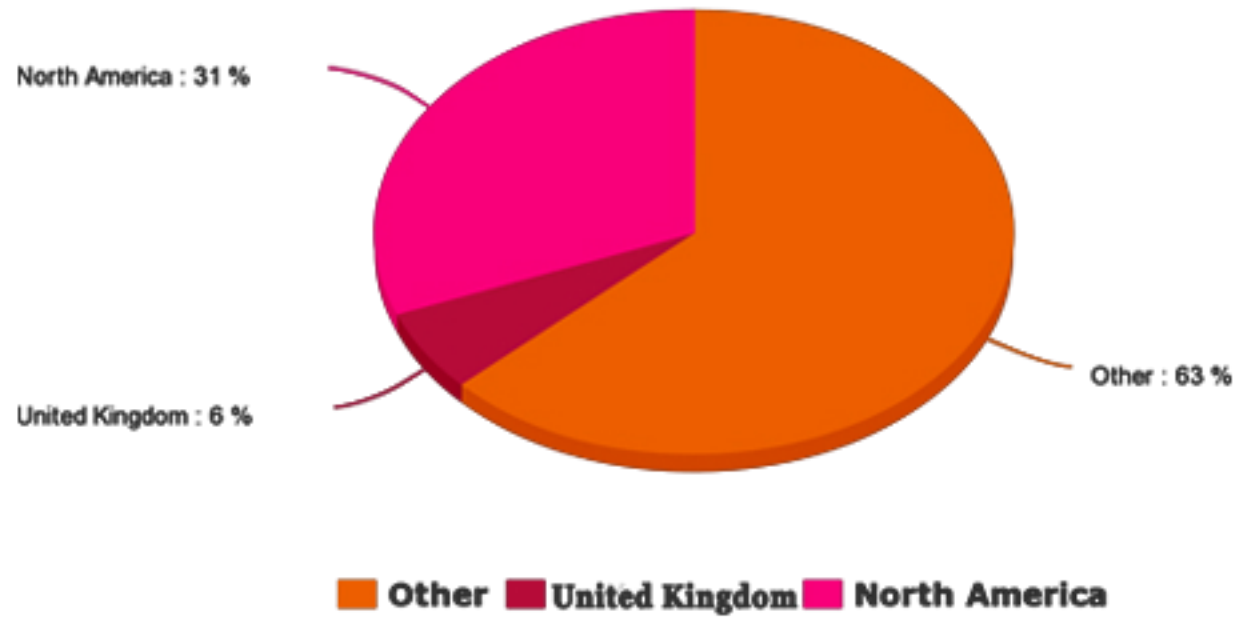

Merging my interests and my talents, I opened my first blog, POP-CORN'n TITS in 2010 and as my knowledge and followers increased, I created The PNT Tv Network in 2011. As a consequence, I have since fulfilled a life-long dream to write a book and create a film.
